

Robert Manolson, Powerful Play Experiences
Creating Engaged Teams

Powerful Play Experiences is in the business of Team Engagement & Creating Engaged Teams.

Workshops are specifically designed for:

- * Team Development & Staff Training
- * Employee Communication & Engagement
- * Meaningful Staff Recognition & Appreciation

For over a decade, we remain committed to building stronger and happier workplace teams, while empowering their teams to higher performance levels through our Fun At Work and Team Building Workshop experiences. We're responsive to your particular needs. We keep it simple. And we guarantee powerful, energizing fun.

Don't expect to arrive at your next workshop looking for power point presentations and rows of chairs to sit and listen. We're all about engaging people in face to face interactions.

- * Planning your next team building session, staff retreat, conference or special event?
- * Stuck with planning something that is really all about raising your team's engagement levels?
- * And have no idea what to do or who to bring in?
